HELPING PAWS
ASSISTANCE DOGS

ABOUT HELPING PAWS

Our Mission

The mission of Helping Paws is to further people's independence and quality of life through the use of Assistance Dogs. The human/animal bond is the foundation of Helping Paws. We celebrate the mutually beneficial and dynamic relationship between people and animals, honoring the dignity and well-being of all.

Assistance Dogs International Member

Helping Paws is an accredited member of Assistance Dogs International (ADI). We adhere to their requirements in training our Assistance Dogs. ADI works to improve the areas of training, placement and utilization of Assistance Dogs as well as staff and volunteer education. For more information on ADI, visit their website at www.assistedogsinternational.org.

TRAINING VOLUNTEERS:

Helping Paws is powered by the dedication, compassion, and generosity of our volunteers. Each year, more than 400 volunteers give their time to support our dogs, our staff, and the people our dogs will go on to serve. Whether they take on an ongoing, hands-on role or lend a hand at a special event, every volunteer makes a difference.

Our volunteers contribute in countless ways. **Host Homes** provide a loving home while our staff manages daytime training, while **Volunteer Dog Trainers** raise and train a dog from puppyhood, attending weekly classes and practicing at home.

Dog Sitters provide care when volunteers travel, choosing dates that work for their schedules.

At our training facility, volunteers support our dogs through **Volunteer Driving** and **Dog Walking**, helping dogs get to and from the facility and providing enrichment between training sessions. Our puppy and breeding program also depends on volunteers, including **Caretaker Homes**, **Early Puppy Trainers**, and **Puppy Desensitizers**.

No matter the role, every volunteer helps move our mission forward. **Thank you for the time, care, and commitment you give to Helping Paws and to the people whose lives are changed by an Assistance Dog.**

LETTER FROM THE EXECUTIVE DIRECTOR

ALYSSA GOLOB

Progress rarely follows a straight line. Sometimes, moving forward requires us to pause, reassess, and adapt. At Helping Paws, we have learned that adapting is not a departure from our mission—it is a commitment to fulfilling it. It takes the courage to respond to change, the wisdom to apply what we have learned, and the determination to keep moving toward the future we know is possible.

This year, our community continued to grieve the loss of Melissa, Mark, and Gilbert Hortman. In the midst of profound grief, our community came together. Your compassion, support, and steadfast partnership helped carry Helping Paws forward. Together, we honored those we lost by remaining deeply committed to the work they believed in and to the lives that will be changed because this community continues to believe.

We also made an important change in our breeding and early puppy development program. As part of A Future in Motion—Helping Paws' multi-year strategic initiative—we are strengthening every stage of our organization so we can meet the growing demand for Assistance Dogs and increase the number of successful placements each year.

That future begins with a stronger foundation. Through purposeful breeding, early enrichment, volunteer engagement, and individualized development, we are giving each puppy what they need to thrive. From carefully selected breeding and loving volunteer homes to research-informed enrichment and early learning, every decision is made with the puppy's individual journey in mind. By supporting each puppy's growth through exploration, enrichment, and thoughtful evaluation, we can better prepare them for the path ahead.

The full results of this work will take time. We may not see the results until our newest litters complete their training and are ready to graduate. But meaningful change often begins long before its impact can be measured. It begins with the willingness to invest in what is not yet visible

**“Today, we are asking you to believe in the Helping Paws you know—
and to invest in the Helping Paws yet to come.”**

Your donation is more than support for today's work. It is an investment in stronger beginnings, higher graduation rates, more successful partnerships, and more lives transformed through the independence and quality of life an Assistance Dog can provide. Your engagement makes it possible for us to keep learning, adapting, and moving forward.

LETTER FROM THE PRESIDENT

ALISON LIENAU

As we reflect on another remarkable year at Helping Paws, my heart is full of gratitude for the compassion, generosity, and dedication you've shown to our mission. In 2025, we witnessed countless moments where the bond between people and Assistance Dogs transformed lives—moments made possible because of you.

Helping Paws Assistance Dogs provide more than companionship. Whether turning on a light switch or opening a door, creating space in crowded environments, or helping their partners navigate a crowded hallway, stairs, or snowy sidewalk, these dogs perform critical tasks that support greater independence and quality of life.

Behind every one of these life-changing partnerships is a deep network of support: volunteers who provide loving homes for and help train our dogs, donors like Pat and Jim Hemak and Cindy Herman, corporate sponsors like SFM who believe in our mission, staff who guide each placement with care, and a community that believes in our vision of “A future in which every member of our community leads a fulfilling

life.” Together, we are not just training Assistance Dogs—we are building bridges to greater independence, hope, and opportunity.

This past year also brought reflection as the Helping Paws community continued to grieve the loss of Melissa, Mark, and their beloved Gilbert. Through the creation of the Hortman Heroes Fund and the introduction of the Guided by Gilbert litter this spring, we continue to honor their service and dedication to the Helping Paws community. Your continued support, compassion, words, and presence remind us of their spirit and why this work matters.

The need for Assistance Dogs is great, and the impact they make is real. A Future in Motion needs your continued support to keep moving forward—creating lasting change for years to come.

As we look toward another decade of serving our larger Helping Paws community, we remain committed to our mission: “Furthering people’s independence and quality of life through the use of Assistance Dogs.” Your donations, volunteer hours, and advocacy have been—and continue to be—the heartbeat of our work.

A proverb I love states, “If you want to go fast, you go alone. If you want to go far, you go together.” We invite you to join us—whether by volunteering, donating, or spreading the word—as we continue transforming lives through the power of Assistance Dogs. Every puppy raised, every learning and training milestone reached, and every life changed is a direct reflection of your belief in what we do and what we can accomplish together.

As Board President, I’m proud to stand with an organization that responds with empathy, clarity, and commitment while continuing to advance its mission. From expanding our litters through “Breeding with Purpose,” to growing individualized puppy learning and overall training capacity, to placing dogs across Minnesota and beyond, Helping Paws continues to build hope—one partnership at a time.

To everyone who makes this possible: thank you.

Join us as we pursue A Future in Motion—together.”

ACCOMPLISHMENTS

401 active volunteers supporting our training program and events

29 puppies entered our training program

03 litters born through Helping Paws breeding dams

57 Assistance Dogs in training throughout the year

01 litter added through our ADI International Breeding Cooperative partnership

2000+ pounds of dog kibble/food consumed by our Assistance Dogs in training

Infinity and beyond!
Number of treats consumed

82 Assistance Dog teams supported

ACCOMPLISHMENTS

09

Assistance Dog teams celebrated at our Spring Graduation

100%

of client responses indicated that having a service dog has had a positive influence on their lives.

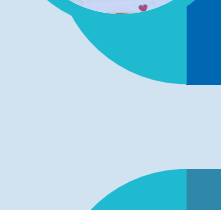

100%

of client responses feeling less lonely since receiving their Assistance Dog

2000+

miles driven by staff to support working Assistance Dog teams

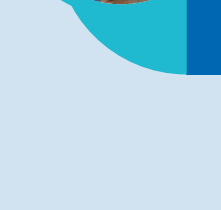

100+

follow-up visits with Assistance Dog teams

216

outreach events — including tours, public-facing events, off-site occasions, demonstrations, and more

880

kilometers walked, ran, or rolled during our annual Paws in Motion 5K/1.5K

DOUG WILSON & SERVICE DOG RUDY

I have 19 years of law enforcement experience, and I retired from that career with PTSD. Rudy came to me through Helping Paws, and I'd like to thank all of the volunteer training staff who helped with him and got him to where he is today. Rudy wouldn't be the dog he is without them. He's amazing, and he does so much for me that I truly enjoy.

If it weren't for Rudy, I wouldn't be getting outside and enjoying life the way I do. He makes me laugh every single day when we go outside, and he does phenomenally in public places, too. Having Rudy with me gives me a greater sense of confidence and helps me feel more comfortable navigating situations that can otherwise be difficult. He helps me stay grounded and focused on the present, and that has made a meaningful difference in my everyday life.

The Helping Paws application process is thorough, but the staff follows through every step of the way, checking in to see how things are going and making sure everything is coming together.

The training Helping Paws provided for me was also very thorough. You spend multiple weekends at the training facility, and they give you just enough information to get through each day. The days aren't full, but they're very full of information.

Helping Paws has been a tremendous help, especially with the follow-up support. If I have questions or issues with Rudy—whether I'm having trouble with recall or dealing with a health concern—they're always there to answer my questions. They'll even come to my house to help with additional training, or they're available by email or phone.

That kind of support wasn't something I expected after receiving Rudy. The support you receive after getting a dog is phenomenal.

AND THIS DOG IS PHENOMENAL.

A photograph of Doug Wilson, a middle-aged man with grey hair, smiling and sitting on a red bench. He is wearing a blue long-sleeved shirt and grey pants. A golden retriever, Rudy, is sitting on his lap, wearing a blue harness with a white logo. The background shows a park-like setting with green grass, fallen yellow leaves, and trees with autumn foliage.

“
“RUDY
WOULDN'T
BE THE DOG
HE IS WITHOUT
THEM.”

-DOUG WILSON

“She has been my light in the darkness.”

-SAM KEWETT

SAM KEWETT & SERVICE DOG PIPER

I was born in 1987, and by 10 months old I was diagnosed with Spinal Muscular Atrophy, Type 1. At that time, it was a death sentence. My parents were told that I might live to a year but definitely not 2. After I surpassed my 2nd birthday, I was retested and rediagnosed as a Type 2.

I was a pretty sick kid, in the hospital sometimes weeks at a time. As I neared the end of high school, I realized that I was going to need additional help to make college and living on campus possible. That's how I found Helping Paws. Thus began the long wait for my first match.

In the summer after my freshman year of college, I met a little sassy, 50-pound black Lab named Maddy. I really don't have words to describe the magic that happened that day when they hooked her up to my chair. All I can tell you is that something just clicked. Maddy did everything I asked of her that day, and I knew then and there that I had found my match. She picked me.

We spent almost 10 years together. She was with me through college and grad school and was by my side as my life grew and changed. Eventually, Maddy retired and Audi became my second service dog.

Audi was a steady presence in my life as I truly figured out who I was and what I was meant to do. He made me realize how much I love dog training and dog psychology, and he allowed me to explore the possibilities of making that my career. He was my heart dog. He understood me completely, and I understood him.

The journey with Piper started kinda by accident. Her volunteer family lives near me and I offered to transport her to BCA a few times a week. Then I took her on a few training field trips so she could work alongside a power wheelchair. Every day she got more excited to see me and every day I was awed by how much she LOVED to work. The day I took her to greet people for Davanni's Day was the day I admitted to myself that I might have met my next match.

Soon after that, Piper came home with me and the rest is history.

Piper and I have already been through a lot as a team. After years of relative good health, I have been hospitalized twice since I've had her. Each separation has been hard, but every reunion is that much sweeter. We have picked up right where we left off, with Piper eager to get back to work.

She has been my light in the darkness after the unexpected loss of Audi. She has kept me moving on days when I just wanted to lay in bed and cry. We are just starting our journey together, and I hope for many years of love, laughter and joy with her by my side.

I am blessed to have been chosen by her. The love, care and training given to Piper has made her into an amazing partner for me. There aren't words to properly express how I feel, but I hope you know that every day that I wake up to this hard working party girl,

I AM GRATEFUL.

HORTMAN HEROES FUND:

The Hortman Heroes Fund – In Honor of Melissa, Mark, and Gilbert Hortman

was created in response to an extraordinary outpouring of compassion following the tragic loss of Melissa, Mark, and Gilbert Hortman. Their commitment to Helping Paws and to serving others continues to inspire our community, and this fund honors their legacy by supporting programs that provide Assistance Dogs to veterans and first responders living with PTSD. As Helping Paws moves forward, we remain committed to strengthening our programs and creating a future where more people can experience the healing and support an Assistance Dog can provide. We extend our deepest appreciation to everyone who contributed to the Hortman Heroes Fund and helped transform grief into a lasting legacy of service, compassion, and hope.

Every name marked with an asterisk (*) contributed to the Hortman Heroes Fund.

DONORS

We are grateful to all the generous individuals, foundations, organizations, and businesses supporting Helping Paws who share our passion for enhancing the lives of people with physical disabilities, veterans, and first responders with service-related PTSD and facility dog partnerships. Every name marked with an asterisk (*) contributed to the Hortman Heroes Fund. If any donor name has been inadvertently omitted, we sincerely apologize and invite you to notify Helping Paws so we can correct the oversight.

Donations listed are from June 1, 2025 – May 31, 2026

“

“We continue to choose Helping Paws as our partner because of what they stand for and the incredible work they do. They give us hope and something to believe in.”

- Driskill's Market

“Helping Paws came into my life in a way that nobody would have wanted, but it brought me to a place that helps those in need connect with their saving grace—their amazing service dogs. Together, we’ve made an incredible impact!”

- Crisco, KS95
